

Private Room Reservations now available*

Looking for a cosy space to gather? Our upstairs rooms can now be reserved for private bookings, ideal for small celebrations, baby showers, meetings, and relaxed get-togethers.

Rather than a room hire fee, bookings are secured with a minimum spend, with food & drinks options discussed in advance to suit your group - giving you exclusive use of the space in a cosy, informal setting.

Please get in touch to discuss options or speak to a member of our team in-store for more information.

**Rooms must be booked in advance & are secured with a deposit & minimum spend*
